If a contractor deems any document submitted to JEDCO under this RFP contains confidential business data, trade secrets, proprietary information, or data not otherwise subject to public disclosure, under La. JEDCO shall not and cannot permit an open-ended inquiry period, as this creates an unwarranted delay in the procurement cycle and operations of our agency and departments. JEDCO reasonably expects and requires responsible and interested contractors to conduct their in-depth proposal review and submit inquiries in a timely manner.

Further, we realize that additional questions or requests for clarification may generate from JEDCO's addendum responses to the inquiries received during the initial inquiry period. Therefore, a final 3-day inquiry period shall be granted. Questions relative to the

addendum shall be submitted by the close of business three working days from the date the addendum is posted. If necessary, another addendum will be issued to address the final questions received.
