Total Number of Jefferson Parish Companies included in the 2018 CityBusiness Top Private Company List = 36 companies

**Information contained in the table above was provided by individual private companies that either contacted JEDCO directly or reported it to CityBusiness via the 2015-2018 Top Private Companies lists. Company ranking is based on the latest year's revenue available at the time of publication. Zero values indicate subject information was not included in the CityBusiness Top Private Companies list for that particular company, and year, at the time of original publication. Zero value CityBusiness rankings, listed in conjunction with positive revenue and employment numbers for the same year as the zero ranking, indicate the company provided information directly to JEDCO but not CityBusiness. Other private companies may qualify for this list, but were not included because they did not provide necessary information to CityBusiness or JEDCO. To the best of JEDCO's and CityBusiness' knowledge, the above information is accurate. Other top private companies wishing to be included in the table above are encouraged to contact JEDCO via telephone (504-875-3908).*
