(504) 455-6000**

**COVID-19
IgG/IgM/IgA
ANTIBODY LAB
BASED TEST**

The serology test looks for the presence of antibodies, which are specific proteins made in response to infections. This test requires a fast and simple blood draw that will be sent directly to the lab for testing and have results in as little as 1 to 3 days!!!

- **Accurate Lab Results**
- **Quick Turn Around Time**

**Call 504-455-6000 for your
appointment today!!!**
