Confidentiality

All documents submitted to JEDCO are subject to the Louisiana Public Records Act, LSA-R.S. 44:1 et seq., and may be released when a public records request is made by news media, competitors, or other interested parties, in accordance with the law.

If a firm deems any document submitted to JEDCO under this RFP contains confidential business data, trade secrets, proprietary information, or data not otherwise subject to public disclosure, under La. Const. Art I § 5, LSA-R.S. 44:4 or 4.1, or other provisions of law, the firm shall clearly mark the documents as "Confidential" prior to delivering or making them available to JEDCO.

- 1. If JEDCO receives a request for the production or disclosure of documents so marked, it will decline disclosure and notify the firm of such request; provided, however, that if any action is commenced against JEDCO under the Louisiana Public Records Act, LSA-R.S. 44:1 et seq., or otherwise seeking to compel production or disclosure of the documents, the Proposer or any other person asserting the confidentiality privilege of such documents shall defend, indemnify and hold JEDCO harmless from any costs, damages, penalties or other consequences of JEDCO's refusal to disclose or produce such documents. Failure of the Proposer to immediately intervene in such legal action will authorize JEDCO to voluntarily provide the information for disclosure under the supervision of the court.*
- 2. JEDCO assumes no liability for disclosure or use of any document or portion of this RFP that has not been clearly marked as "confidential", or as otherwise constituting information exempt from the Louisiana Records*

*Further, to protect such data, each page containing such data shall be specifically identified and marked **“CONFIDENTIAL.”***

The firm shall not mark the entire proposal "confidential" or as information constituting an exception to Louisiana's Public Records Act. If an entire response, submittal, or proposal is so marked, JEDCO shall not consider the proposal for an award of the contract.

Nothing herein shall prohibit JEDCO from making any proposal, including confidential business data, trade secrets, and proprietary information contained therein, available to any other agency, person or organization for the sole purpose of assisting JEDCO in its evaluation of the proposal. JEDCO shall require said individuals to protect the confidentiality of any specifically identified proprietary information or privileged business information obtained as a result of their participation in these evaluations.
